

Demers-Braun-Crestline (DBC) Awards Exclusive Brand Representation in Pennsylvania State

Glick Fire Equipment Becomes Exclusive Dealer in Pennsylvania for Demers, Braun and Crestline Brands

FOR IMMEDIATE RELEASE AUGUST 18, 2020 - VAN WERT, OHIO: Demers-Braun-Crestline (DBC), an industry leader in the global ambulance manufacturing market, names Glick Fire Equipment as their exclusive three brand dealer for Pennsylvania.

"I am pleased to announce Glick Fire Equipment will have exclusive coverage of Pennsylvania for all our brands," said Chad Brown, Vice-President Sales at Demers-Braun-Crestline. "We are very excited to continue our relationship by establishing an exclusive partnership with a professional team like Glick. DBC is very selective in growing its partnerships, aligning only with dealerships that are committed to both sales and service, and Glick fits the bill. We are confident that the Demers, Braun and Crestline products will continue to be very well represented."

Celebrating thirty-three years in business, Glick Fire Equipment is an established, fully certified and PA licensed Fire & EMS product and service provider in Pennsylvania. The company was formed as a fire apparatus dealership in 1987 and over the years, the business steadily grew, adding new vehicle lines and enhancing their service offerings. Now under the second generation of family ownership with Doug Glick, Amy Sweitzer, and Jodi Mohn, they continue their commitment to providing first-class products and services to fire and EMS service providers throughout the state.

"Without a doubt, Demers-Braun-Crestline is aligned with our vision of providing quality equipment, and offering products with safety innovations and benefits for EMS Services. We are extremely excited to represent Demers, Braun, and Crestline throughout Pennsylvania" said Doug Glick, President of Glick Fire Equipment.
